

POWERMADD[®] Spare Oil & Storage

Mounting Instructions for: Yamaha S.O.S. Part No. 14806

HARDWARE INCLUDED:

<u>Item</u>	<u>Qty</u>	<u>Description</u>
1	1	Yamaha S.O.S.
2	4	#14 x 3/4" Tek Hex Head Screw

Mounting Options: PowerMadd's Yamaha S.O.S. is designed to mount to the footrest on the clutch side of all Yamaha sleds built with the SX and Viper chassis.

Step 1: On the clutch side of the engine compartment, line up the four holes of the S.O.S. with the four holes of the footrest.

Step 2: Install the S.O.S. using the four self tapping screws provided, making sure the screws draw tight to the surface of the S.O.S.

Important Note: If your footrest does not have four holes, place the S.O.S. on the footrest and slide it away from the clutch and up against the bellypan. Mark and drill the four holes using a 7/32" drill bit.

LIMITED WARRANTY

POWERMADD[®] warrants this product to be free from defects in material and workmanship, and may elect to repair or replace this product. This warranty does not cover any labor costs to remove or reinstall this product.
