

Handguard Extension

Installation Instructions for: Extension Part No. 34240-34270

EXTENSION INSTALLATION

- Step 1:** Remove the vent covers from the hand guards by first unsnapping the bottom three tabs on each vent cover. Then the cover should pop off.
- Step 2:** When installing either the extension or the vent covers, first install the top 4 tabs, then snap in the bottom 3.

OPTIONAL INSTALLATION

For extreme conditions, such as heavy mud, install a self-drilling screw into each extension using a power drill approximately in the location shown. This will secure the extension to the guard.

LIMITED WARRANTY

POWERMADD warrants this product to be free from defects in material and workmanship under use for the purpose it was intended. **POWERMADD** shall not be liable for damage or injury caused by defective materials or workmanship. **POWERMADD** may elect to repair or replace this product, but is the sole judge of any defects in their product.
